Edgar Cayce on the

Spiritual Forces Within You:

Unlock Your Soul With Dreams, Intuition, Kundalini, and Meditation

with John Van Auken

This is a seminar and workshop about our mind, soul, vitality, and true purpose. John Van Auken, a director at Edgar Cayce's A.R.E., takes us on a journey of adventure and exploration into what makes us tick—why we endure, why we pursue happiness and love, and why we strive to achieve. Using the wisdom and vision of the world famous seer Edgar Cayce, the author reveals a life beyond the mundane and physical, a life that is intimately connected with all life, all time, all space—a life that touches the infinite and is eternal.

In this Seminar and Workshop John will:

- ◆ Help us rise to a broader awareness, vitality, and get that missing meaningfulness.
- ◆ Show us concepts and practices that will help us live well with others, enhancing our relationships and the joy of sharing life with loved ones, friends, and coworkers.
- ◆ Connect us with an eternal part of ourselves that lives on long after our body dies and was alive long before we entered the body, influencing so much of our present life. It's a soul story, a spirit story.
- ◆ Give us a view on how to awaken and enjoy life more fully.

John Van Auken is the Director at the Edgar Cayce Foundation. He is editor of the monthly newsletter *Living in the Light*, a columnist for the A.R.E.'s membership magazine *Venture*

Inward and the membership *Quarterly*, and author of more than twenty books and manuals. He is considered an expert in Egyptian, Mayan, Jewish, and Christian mysticism and a skillful teacher of meditation—including basic “magic silence,” energy-moving kundalini, and Cayce’s unique “passage in consciousness” methods. Over forty years he has become a popular leader of retreats, workshops, and seminars. Recently he has become a popular online instructor of mentored courses. His topics include spirituality, reincarnation, ancient mystical practices, rejuvenation of the body, dreams, meditation, prophecy, mysticism, and, of course, Edgar Cayce’s concepts. He has appeared on several television and radio programs.
